

I DO NOT WANT the FCC to preempt my protection from these predator callers. Indiana's Do Not Call Law is working and successful in protecting Indiana residents who requested this protection. I pay the telephone bill for my use and convenience, NOT for USE by UNSOLICITED Businesses. If I want to do business with these people, I will contact them. TV, Radio, Newspaper Ads, etc. are available for them to advertise their products. We finally have peace and quiet here in Indiana, I implore you Not to Weaken Our Law and support Indiana Citizens right to be protected.

Thanks
